The business directory is included on the City of Woodbury's Web site as a service to local residents. The directory is categorized in much the same way as the local telephone book. Graphics, photographs and other artwork will not be included in the listing. The directory is meant to be an information resource, not an advertisement.

Businesses are charged a biennial fee of \$120 to cover the city's expense in creating and maintaining the information. After March 31, 2009, listings will be added on a quarterly basis, and the cost will be reduced. For example, if you wish to be added to the directory between April 1 and June 30, 2009, the fee is reduced to \$105. If you submit your listing between July 1 and Sept. 30, 2009, the fee is \$90. If you apply for a listing between Oct. 1 and Dec. 31, 2009, then the fee is \$75, etc. You may choose to list your business under more than one category for an additional fee of \$60 per category. This prorated payment system is designed so business directory listings expire at the end of a calendar year, allowing the city to process renewals for all businesses once every two years.

Businesses are responsible for supplying the city with updated information. **For faster results, e-mail your information to info@ci.woodbury.mn.us. Please indicate "Business Directory" in the subject line.**
